According to the regulation CE 1334/2000 2000 (EEC G.U. N° L159 dated 30.06.2000) which sets up a Community regime for the control of exports of dual-use items and technology, we declare that the products covered by this document are lead-acid batteries for starter, motive-power or standby applications and relevant equipments, such as charging and/or monitoring systems, therefore intended for civil, non-military, purposes only.
